'50 new milanese lace patterns by patricia read  
alibris  
April 25th, 2020 - the great diversity of decorative  
stitches in the braid has led milanese lace to be  
recognised as the most beautiful of the italian laces  
exploiting these elements in a stunning collection of  
all new patterns the author draws on over 50 years  
experience with antique lace to continue the  
tradition'

'milanese lace textile britannica  
June 6th, 2020 - milanese lace lace made at milan in  
the 17th and 18th centuries it is a bobbin made lace  
with a design consisting of bold conventionalized  
leaf scroll and ribbon ornament interspersed with  
arms human and animal figures and the like the design  
is formed of continuous tape or braid worked'

'hinojosa lace witchstitch laceioli  
June 3rd, 2020 - milanese lace in the passing of time  
changed and we can find that the first pieces were  
coarsed and without spaces worked in linen stitch  
with its own different decorations then evolved to a  
more fineness with great spaces in the designs and  
little spaces filled with decorated stitches'
