'the ongoing stupidity of philosophy bitchspot

May 18th, 2020 - now i don t like most philosophy especially esoteric philosophy but according to a recent episode of reasonable doubts there s this ongoing philosophical debate

about god deceiving people whether god is capable of lying for some greater good and all that rigmarole but what nobody has ever managed to do or even attempts to do in these debates is demonstrate that god exists at all

'before we go an ongoing philosophy of lifting living and

June 1st, 2020 - before we go is a pilation much like never let go that contains a number of dan s greatest articles that truly make a difference dan is prolific writer and has a such a unique way of conveying information with stories and simplifying concepts''free will and determinism issue 1 philosophy now

June 7th, 2020 - free will and determinism michael norwitz examines the current state of play in this long running debate by paring the views of dennett and van inwagen since the ancient greeks one of the most provocative and oft discussed questions in philosophy has been whether we have free will in determining the course of our actions or whether our actions are determined by forces beyond our control'
