**'gee balanchine and the
united states national**

May 21st, 2020 - in 1965 in
an article in life magazine
balanchine wrote the ballet
is a purely female thing it
is a woman a garden of
beautiful flowers and man is
the gardener this attitude
so suggestive of the old
world was in fact in tune
with american culture as
balanchine found it the idea
of a woman being inherently
worthier than a man
